DISCLOSURES

Statements in this document are made as of the date of hereof, unless stated otherwise herein, and the information contained herein may not be correct as of any time subsequent to such date—with no duty to update this document in the future. Certain information contained herein has been obtained from sources prepared by other parties and has not been independently verified by Autonomy Spain (“Autonomy”), and Autonomy makes no representation that such information is accurate or complete. Opinions expressed herein are subject to change without notice and any investment views expressed herein represent Autonomy’s views as of the date of preparation of this presentation only and not as of any future date. None of Autonomy, any personnel, or agents of any of the foregoing shall be liable for any errors (to the fullest extent permitted by law) in the production or contents of this document. This document does not constitute an offer or solicitation for the purchase or sale of any investment products or services.

This document is intended to be a summary only and Autonomy makes no representation as to the completeness of such information. This document may contain forward-looking statements. “Forward-looking statements,” can be identified by the use of forward-looking terminology such as “may”, “should”, “expect”, “anticipate”, “outlook”, “project”, “estimate”, “intend”, “continue” or “believe” or the negatives thereof, or variations thereon, or other comparable terminology. Investors are cautioned not to place undue reliance on such statements, as actual results could differ materially due to various risks and uncertainties. In considering any transactional history or prior performance information contained herein, investors should bear in mind that transactional history or prior performance is not necessarily indicative of future results, and there can be no assurance that future engagements will achieve comparable results. Such descriptions are provided for illustrative purposes only and there can be no assurance that future matters will be implemented in a similar manner.

Any categorizations, estimates, quantifications, sensitivities and other information contained in this document are substantially based on estimated information, which may be inaccurate or incomplete and may not reflect the criteria employed by Autonomy. As a result of these estimates, the information in this document is subject to material change. Further, any such categorizations, estimates, quantifications, sensitivities and other information presented in this document are unaudited and do not reflect adjustments that might result when closing the books for the period that includes the date of this document. Any reference to specific investments is not intended to be and must not be relied upon as recommendations to purchase or sell such investments. All investments involve risk including the loss of principal.
